2 Corinthians 5: 11-21
 RECONCILIATION is a vision for Canada and our world, for your church and family, for your neighbour and most importantly- for you. God is calling all nations and all peoples to come and receive salvation, eternal security, and newness of life, through His Son Jesus Christ. Come and be reconciled to Christ! Come be His ambassador!

I believe that God is pouring out His Holy Spirit in our dark world like never before. He is urging us to take responsibility for how we

act and what we do. True Christianity needs to be evident in each of us. Let's take the challenge to become all that we can be for God. Choose excellence!

My heart's desire and prayer for you as you listen to these songs is for the Holy Spirit to deeply move and inspire your soul to bring positive change in your life- a lasting change that will be powerfully used to bring great glory to God!

Love and blessings in Christ, JODI
